

M.A.S.T. NEW TEAM SUITS

The Milford Area Swim Team is going to a “TEAM SUIT” starting this year. Members who have already purchased the old suit can wear that suit until they need to replace that old suit and then will be asked to purchase the new suit.

The “TEAM SUIT” is to make the team’s swimmers more recognizable at swimming meets, to allow our team to appear more unified and to ease the cost of suits we used in the past.

The new team suit should *only* be worn at swimming meets and not to practice in as suits wear out very quickly. Our new “TEAM SUIT” will be our required team uniform at swimming meets. Swimmers may *not* wear a suit that is different than our team suit at swimming meets!

The new team suit is a polyester / poly blend suit that will not stretch out like the old Lycra suits and will not wear out as quickly as the old Lycra suits. You have a better chance of your swimmer outgrowing the new suits before they wear out.

Suit costs are as follows:

FEMALE:

Size 22-28 - \$48.00; Size 30-40 - \$51.20

MALE:

Jammer:

Size 22-28 - \$32.80; Size 30-38 - \$34.40

Racing Brief:

Size 22-28 - \$26.40; Size 30-38 - \$28.00

The female suit will come in two versions that are slightly different in look, and the difference will be determined by whether the swimmer prefers a wide strap or a thin strap on their suit.

TEAM SUIT FITTING IS SCHEDULED AT MILFORD HIGH SCHOOL ON SEPTEMBER 22nd DURING THE HOURS OF 5:30 pm UNTIL 7:30 pm.

If you cannot make this fitting you will have to place your order off of the Kast-A-Way website or go up to their store location in Westchester.
